

Commissioner Coonerty moved that the DTC forward to the City Council its approval of the ordinance restricting usage of the parking garages with the following conditions:

- 1) that the time limit is extended to 15 minutes;
- 2) that a verbal warning is given prior to a written citation;
- 3) that the City Council develop a comprehensive plan to gather data and information about the performance of this ordinance over a 12 month period and that this evaluation be undertaken by the Downtown Taskforce;
- 4) that the Downtown Commission extends qualified support for surface lot inclusion in this ordinance since there is not, at present, adequate information regarding public safety needs in these lots which needs should be determined before the surface lots are included in the ordinance;
- 5) that effective signage and public education are an essential aspect of passage of this ordinance; and
- 6) adoption of this ordinance must balance public safety concerns and civil liberties.

Seconded by Commissioner Mandel.

The motion passed 5/1.

Yeas: Commissioners Shattuck, Coonerty, Mandel, Hoffman, Ferrara

Noes: Commissioner Bisbee

ADJOURNMENT

Commissioner Bisbee moved to adjourn, seconded by Commissioner Ferrara.

The motion passed 6/0.

Chair Shattuck adjourned the meeting at 10:30 a.m.

The Downtown Commission will adjourn from the March 23, 2006 meeting to the next scheduled meeting on April 27, 2006 at 8:30 a.m. at the City Council Chambers.
