

# ORGANIZE MAY DAY 2009!!!

*Planning for May Day 2009 is currently under way and this year we hope to unite everyone under the banner of International Workers Day, where we will unite against all types of oppression and fight for economic justice for all people. As the labor movement proclaims, "An injury to one, is an injury to all!"*

*Please join us for our next meeting where we will begin to reestablish May Day as International Workers Day in the US once more!*
