

URBAN HUNTER GATHERER SKILLS CAMP 2009

People's Park
Berkeley, California

Cost: free knowledge, free sharing.

Learn/Teach:

- * find, catch, kill, clean (wild?) animals
- * learn edible plants
- * improvised shelter, squatting
- * tools and defenses/offensives of the people
- * dumpster, yards
- * creating communities
- * techniques and resource knowledge sharing

The camp will be held at historic People's Park.
You will squat, camp here or anywhere--we don't care... we're not your supervisor.
Self-reliance... Dive your meals. Put into practice what you learn.

Beijing announced 20 million migrant workers will become unemployed in the coming months. [more than the combined populations of Denmark, Sweden and Norway]
Riots in Russia, England not far off. France is on its way to revolution.
The world is changing, do you have the knowledge to make it through?
