

SHOP AT THE SIGN OF THE PLEDGE!

Sleeping after 11 PM at night is a crime for homeless people. No shelter space is available for those not on waiting lists.

More citations, more police, and more repression are the problem, not the solution!

Some shops want to be part of the solution; support their effort:

Bad Ass Coffee, 1207 Pacific • Caffe Bene, 1101 Cedar • Camouflage, 1329 Pacific • Comicopolis 829 Front • El Pollo Loco, 712 Front • Felix Kulpa Gallery, 107 Elm • Firefly Cafe, 131 Front • Godmoma's Forge, 916B Soquel • Khyber Pass, 810 Pacific • More Music, 512 Front • Noah's Bagels, 1411 Pacific • Santa Cruz City Soccer, 717 Pacific • Starbucks, 1335 Pacific • Sub Rosa Cafe, 703 Pacific • The Perfumer's Apprentice, 1319A-B Pacific • Vasili's, 435 Front

What else can you do?

Call City Council at 420-5020 to demand a special session:

Open up carparks and campgrounds; Suspend the Sleeping Ban in non-residential, non-beachfront, non-downtown areas of the City; Require cops and rangers to respect and restore basic human rights to our homeless community.

Call the Downtown Association at 429-8433:

Repudiate the "no-sleep" injunction downtown against the two homeless musicians; Call for a non-discrimination pledge by all downtown businesses and an anti-discrimination law; Stop the costly crackdown against sitting, tabling, performing, and sparechanging; Mediation, not exclusion.

Call HUFF (Homeless United for Friendship & Freedom) at 423-4833:

Support local homeless-run encampments, safe zones, car parks, and campgrounds as emergency shelter; Back legal challenges to the Sleeping Ban—successful in San Diego, Los Angeles, Laguna Beach, and Fresno; Volunteer for current projects (Copwatch, Courtwatch, Homes on Wheels, etc).
