**Hear from the Caravanistas and watch the new documentary film "People to People." Enjoy a potluck dinner, Cuban dessert and recorded Cuban music!**

The new film "People to People" mixes archival footage with recent interviews and video from the 2008 Pastors for Peace Caravan to Cuba to tell the story of Pastors for Peace and the Latin American School of Medicine in Havana, Cuba.

The featured Caravan speaker is Richard Becker, Western Regional Coordinator of the International A.N.S.W.E.R. Coalition. In 1992, Becker helped to initiate the International Peace for Cuba Appeal (IPCA), which launched an international campaign to end the U.S. blockade of Cuba and normalize relations between the two countries.
