

# *Earth First! Journal* Roadshow

Rolling into town, the *Earth First! Journal* Roadshow will feature “Earth Nightly News;” info about the international Earth First! and ecodefense movement; the 30th Anniversary edition of the *Earth First! Journal* and more!

With ecological disasters mounting up, independent news coverage provides the needed critique of those responsible for destroying our planet and the tools we can use to slow down the machine! Come out and hear the nightly news brought to you by members of the *Earth First! Journal* Collective.
