

QUEERS, GRINGOS AND OTHER DEVIANTS

A selection of provocative films by
U.A.E.M. professor Greg Berger and his students.

The selection of short films following:

- **Transgresiones y Diversiones**, a collection of six short documentaries and experimental videos by student participants at the first queer cinema class offered in Mexico

- Selections from **The Revolutionary Tourist Project**, Professor Greg Berger's ongoing series of satirical political videos including *Spring Breakers Sin Miedo* (a scathing critique of the Drug War) and *Jodido México* (with Los Detonadores)

- **The Right of Choose In Peace**, a short documentary on the successful struggle to legalize abortion in Mexico City, and the backlash from U.S. based religious fundamentalists.
