First Baptist Church
4555 Hilltop Drive
El Sobrante

\$4 donation to enter

You can find the best varieties of fruit to grow!

- Hundreds of varieties of scions (fruit wood) to graft onto your own trees, including:
apples, pears, quince, plums, peaches, nectarines, apricots, cherries, and more. . .
- Cuttings to root: grapes, figs, pomegranate, kiwi fruit, mulberries, and more. . .
- Rootstocks and grafting supplies •Grafting class and demo 1230 and 130
- Custom and assisted grafting of your selected variety onto a rootstock
- Local Fruit Friendly organizations •Raffle
- Questions answered, secrets revealed. . .

Join us- volunteers needed

bring plastic bags and tape to label scion varieties you take home
