Hi, my name is _____ and I live in Chicago [NY, etc.] The Parole Commission should parole Oscar López # 87651-024 immediately, in spite of the hearing examiner's recommendation to deny parole.

*IF YOU HAVE TIME, USE ONE OF
THE FOLLOWING REASONS:*

1) Oscar has the support of a broad sector of Puerto Rico's civil society as well as Puerto Rican and Latino communities throughout the United States.

2) Oscar was not accused or convicted of causing injury or taking a life. He was never accused or convicted of participating in the 1975 Fraunces Tavern bombing or any other action that resulted in injury or death.

3) President Clinton's determination that Mr. López Rivera's sentence was disproportionately lengthy, and his offer that would have resulted in Mr. López Rivera's release in September of 2009.
