

Maine 2 Marin

Close the Death Chamber

Candlelight Vigil & Community Assembly February 7th, 2011 @ 5:00

From the **Golden Gate Transit - Larkspur Ferry**
to the **West Gate @ San Quentin Prison, Marin County**

WE are praying... WE are walking... WE are singing...
to bring attention to the **plight of prisoner's**
in **California** and across this great **nation**.

WE ask Governor Brown to End the Death Penalty
in California and to close down the **Death Chamber**
at the **San Quentin Prison** here in **Marin County**.

WE honor the courageous Georgia Prisoner's
who risked everything in the **Largest Prison Strike**
in **U.S. History** this past **Dec. 2010**.

WE ask the United States of America's Attorney General
to look into the **rampant pattern of abuses**
that are taking place in the **Industrial Prison Complex**.

From the **brutal murder** of **Oscar Grant**
to the **senseless shooting** of **Guy Jarreau, Jr.**

WE ask for the nameless prisoner's, throughout the **U.S.A.**
who are being **tortured and neglected** like
Victor Valdez who was **left to die** in a **Maine Prison**.
