

## Thanks for Participating in, Or Visiting Our Blanket/Sit In

Now let's blanket those Council members who voted for this restrictive ordinance with emails or preferably phone calls. To insure that all those who voted for the resolution hear from us, if you last name begins with:

A-E: call Mayor Hilary Bryant 420-5026 hbryant@cityofsantacruz.com

F-J: call Lynn Robinson 420-5020 lrobinson@cityofsantacruz.com

K-O: call Cynthia Mathews 420-5020 cmathews@cityofsantacruz.com

P-S: call David Terrazas 420-5020 dterrazas@cityofsantacruz.com

T-Z call Pamela Comstock 420-5020 pcomstock@cityofsantacruz.com

**Suggested Talking Points:** Tell them you are exercising your citizen right to petition our elected officials: Ask them to revisit or change the ordinance to reflect the views of thousands of Santa Cruz citizens who believe that the new regulations are unnecessary restrictive, will be difficult to regulate and enforce. Further, they will damage our city's reputation as a place where artistic creativity and freedom of expression are valued and appreciated.
