

BILLING AND PAYMENT

Payment Plan Options

Each student has a university billing account with UC Santa Cruz and a billing statement is generated each month there are charges due on your account. You can view your billing statement and account activity online through the Student Portal (my.ucsc.edu). If your parent/guardian will be paying your housing charges, you can grant them access to your billing statements and give them the ability to make payments on your behalf.

The **Campus Housing Office** offers two types of billing options for your housing charges. Both billing options require you to make payments within each quarter's payment deadlines. You have the option of paying your housing fees in one payment at the beginning of each quarter, or having your quarterly housing charges divided into monthly installments. Monthly payments represent one-third of the total quarterly charge. Unless a payment plan is requested, housing charges are billed and full payment is due on a quarterly basis.

Late Fees

It is your responsibility to keep the **Campus Housing Office** informed of any payment delays—no matter what the source of funds (financial aid, outside scholarship, personal funds, etc.). A deferment of the due date, without a late fee, may be approved if you contact us prior to the payment deadline.

Late fees are assessed if payment is not posted to your account by the established due date of each quarter (each month if signed up for a payment plan). Each housing late fee is \$25. The due date is not a postmark deadline, so please allow sufficient time for mailing.

Financial Aid Recipients

If you receive financial aid, most aid award(s) will credit directly to your university billing account once you have met all the conditions for aid disbursement. Financial aid awards credited to account will be applied to your tuition and registration fees first, and any remaining awards are then applied to your university housing and dining charges. Contact the Financial Aid Office at (831) 459-2963 with any questions regarding conditions for aid disbursement.
