

Empire Logistics/Global Supply Chains Group  
& Railroad Workers United present:

# **Climate Change & Supply Chains: Workers' Strategies for the Ecology Movement**

Discussion with Dr. Nathan Kurtz, NASA Climatologist

- ◆ Report back on NASA's recent mission to the Arctic
- ◆ Presentation on anthropogenic climate change and its significance for life on the planet
- ◆ Explore how transport worker struggles & movements against ecological destruction can be in solidarity

Thursday, December 18th, 6:00 p.m.  
Redstone Building Room 302  
2940 16th Street, San Francisco
