February 27<sup>th</sup> & 28<sup>th</sup> – Hearing in Washington DC (listen live on webcast)  
April 14<sup>th</sup> – Public Demonstration in Washington DC

Dear Veterans, Patriots, and Friends of Freedom:

Mr. Bob Schulz of *We The People Foundation For Constitutional Education*, along with thousands of legal researchers, discovered major fraud and deception in the administration of tax "laws" on American Citizens. For years now our "government servants" have stonewalled our formal petitions for redress and grievances. It has now become a Constitutional Crisis.

The media refuses to inform you about this serious situation. Therefore, to preserve our rights and property, we must now act as individual Americans through the grassroots process.

As Thomas Jefferson wisely stated, "I know of no safe depository of the ultimate powers of the society but with the people themselves, and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to **INFORM** them."

Each American Veteran pledged an oath to defend the Constitution of the United States of America against all enemies, foreign and domestic. AVIDD's mission is to remind veterans of their oath and to raise awareness among veterans and patriots alike of some of the major enemies of our personal freedoms and rights within our borders.

**ACTION ITEMS:** Please see the list of action items on the back of this letter. It is high time for America to do an "About Face!"

Constitutionally yours,

General Raymond G. Davis  
US Marine Corps, Retired, Medal of Honor  
Most Highly Decorated Living American Veteran
