

And now for something REALLY spooky...

FELLOW STUDENTS, CAN YOU ANSWER THIS POP QUIZ CORRECTLY?

Q: The candidate shown at right is:

- a) A puppet for the Dean Regime
- b) Insulting our intelligence by tokenizing students
- c) Totally unqualified and inexperienced
- d) Hoping to send students to war in Israel*
- e) **FUNDED BY LANDLORDS**
- f) All of the above.

A: (f), All of the above.

* Daily Californian, April 2, 2002: "'Going to (the Israeli Defense Forces) is not a nationalist thing, it's a moral responsibility,' said [he as] president of Akiva Movement, a student group that supports UC Berkeley students who want to make the pilgrimage to the Holy Land". *The candidate was one of Mayor Dean's rare student appointees to Berkeley's 47 Boards and Commissions, ironically, on the Peace and Justice Commission. When he says he's pro-student housing, think about that blatant hypocrisy. Not only is he funded by landlords, but he is the puppet of Mayor Surely Mean who helped repeal rent control and has actively stopped student housing projects from being built. Whoever you vote for, don't be fooled.*
