

IS AN INJURY TO ALL

AN INJURY TO ONE

Celebrate the Legacy of Dr Martin Luther King, Jr.

Let's Pledge to Fight for Justice.
Let's Pledge to Fight for Peace...Not prepare for war.

As the bombs are being loaded,
Let us NOT BE INTIMIDATED from standing strong for justice.
As immigrant workers are rounded up, jailed and deported,
Let us NOT BE INTIMIDATED from standing strong for justice.
As the corporate elite 'downsized,' eliminating our jobs,
Let us NOT BE INTIMIDATED from standing strong for justice.
As the bulldozers demolish Palestinian homes with our tax dollars,
Let us NOT BE INTIMIDATED from standing strong for justice.
As the so-called justice dept. ignores the law to implement policy,
Let us NOT BE INTIMIDATED from standing strong for justice.
As the President speaks of regime change,
Let's tell him to look in the mirror.
WE WILL NOT BE INTIMIDATED from standing strong for justice.
With the knowledge that we shall overcome.

"The arc of the universe is long, but it is bent towards Justice."
- Martin Luther King, Jr.
