

Two months after Safeway CEO Steve Burd forced 70,000 families to strike against healthcare and pay cuts, the Bush administration appointed him as a presidential advisor on domestic terrorism.

President Bush, you've got it backward.

**At 5 PM on
Wednesday February 11,
we will gather at the Mission St. Safeway
in Santa Cruz to send George Bush a message:**

**Healthcare IS Homeland Security...
and Steve Burd is a Domestic Terrorist.**

**Our peaceful, legal, disciplined, creative
action will effectively shut down the store.**

The Monterey Bay Labor Solidarity Movement is picketing Safeway stores every **Saturday** from 10 to 1:00 (and weekday evenings at some sites) in Santa Cruz, Capitola, Aptos, Salinas, Seaside/Monterey, King City, Gilroy and Hollister.

Now is the time for our whole community to support 70,000 strikers' families as they
HOLD THE LINE FOR HEALTHCARE!
