## Corporate Globalization: Trading Away Our Right to Protect Animals

A lecture by Michael Greger, M.D.

Dr. Greger exposes the impact institutions such as the World Trade Organization have on animal protection worldwide, and what we might expect from future expansions of global trade agreements. Expect a riveting and thought-provoking presentation, infused with historical background and even humor, about what may be the greatest threat ever posed to animal protection.

Monday, April 25,  
2005

11:00 a.m. – 12:00  
p.m.

Ocean Avenue

This program is presented in conjunction with City College Earth Day activities:
