

UNFAIR LABOR PRACTICE STRIKE

WORKERS AT UC CAMPUSES NEED YOUR SUPPORT

Picketing begins 6am, Thursday, April 14,
continues until 11:30 pm

Legislators call the University of California “*the worst employer in the state.*”

UC refuses to bargain in good faith with AFSCME 3299 members, the people who keep the campus running!

- 93% of UC service workers earn wages that do not meet basic needs for a single adult with a child.
- 46% earn wages that do not meet basic needs for a two wage-earner, two child family (if both adults earned the same amount).
- UC food service workers earn wages so low that they are eligible for nine major publicly-funded welfare programs.

Join workers, students and community members at nine campuses around the state for this strike.
