

STOP WAR SHIPMENTS!

Port Money for Schools & Social Services!

Saturday April 7th

**11AM Port of Oakland Headquarters 530 Water St.
(foot of Washington St. in Jack London Square)**

Supplies for the U.S. military ship from the Port of Oakland every day. The Port and its maritime tenants are war profiteers and pay not one cent for Oakland schools or Alameda County social services. Yet the Port does \$33 billion in business a year.

- April 7 is the 4th anniversary of the Oakland police attack on anti-war protesters at the Port.
- At the Port of Tacoma, Washington, the police are using the same brutal tactics to assault those trying to stop war shipments. Join us in demonstrating that the Port of Oakland belongs to the people and in acting in solidarity with the Tacoma protesters.
