

JOIN US SATURDAY, SEPT 15th, 1PM AT CRISSY FIELD

IN SUPPORT OF A WEEK OF ACTIONS IN WASHINGTON DC

April 28, 2007 -- Ocean Beach, San Francisco:

Five days after Dennis Kucinich files impeachment articles, 1,500 citizens second the motion

At 1 pm, up to 3,000 participants will arrive at Crissy Field, a sprawling green meadow on the edge of San Francisco Bay, behind which the Golden Gate Bridge looms like a surreal, theatrical backdrop. An enormous pro-impeachment message will already have been chalked onto the meadow's grass in lettering 100 feet tall or taller. Participants will take an instructional flyer from one of the organizers, read it, pick a spot inside the lettering, and by 1:30 pm lay down. At 2 pm a helicopter with photographers aboard will appear overhead and take photos that will, if all goes as intended, be sent worldwide within hours.
