

BOYCOTT Western Union

**Press Conference and Rally
Friday, October 19th, 11am**

**First Presbyterian Church
1941 High St., Oakland
(at Foothill and High St)**

As immigrants and consumers, we have a right to demand that corporations be responsible to the communities we love:

Tell your friends and family to boycott Western Union until they adopt our key demands:

- Reduce their fees,
- Provide a fair exchange rate,
- Commit \$1 of every transaction to a community reinvestment fund and
- Adopt socially-responsible investing
