

# Oppose "ISLAMO-FASCISM AWARENESS WEEK"

Oct. 22<sup>nd</sup> – 26<sup>th</sup>

There is an ice sheet spreading across the campuses of America. Critical thinking is under assault; the universities are being transformed into uncontested centers of indoctrination. This October 22-26, some of America's fascists headed by David Horowitz will attempt to make a further major step in this repressive process. They have declared an "Islamofascism Awareness Week."

**EXPOSE AND DEFEAT  
THIS REACTIONARY
