

Please compose something with their own voice and concerns and remind them that they are an affiant, which is like being a witness, so they are attesting to and certifying the validity of the facts....just the facts, ma'am....the factual facts, as i have been known to say....

It is important to show have CDFA or USDA may have acted irresponsible. Example. CDFA removed safety precautions from webs site, You live in zone 1 and was never sprayed or had to be re-sprayed because of plane problems. If you do not feel you were not notified in advance or was not notified at all so that you could make necessary arrangements to leave or protect yourself.

We are trying to show have the CDFA, USDA, or CDPR has acted irresponsibly and acted irresponsibly with intention.

If you have noticed that CDFA removed important information about health or spray zones from their website these points should be included. Please included dates and time to back up your position.

just the facts, ma'am....the factual facts, as i have been known to say....
