ELECTION 2008

Does Barack Obama offer a solution for African people?

The Democratic Party gets elected by the black vote, but the Democrats have never solved our problems!

Housing crisis

Africans losing our homes by the thousands

Police terror

More black men killed by police than in Iraq

Prisons

1.1 million Africans locked up while white people are still 70% of drug users and sellers

African people need power in our own hands!

From West Oakland to West Africa, Africans unite as one people all over the world.
Africa and all its resources belong to African people everywhere!
