

THE TRUTH ABOUT THE ELECTIONS

THE DEMOCRATS CAN'T SAVE US!

The African People's Solidarity Committee welcomes

OMALI YESHITELA

- Chairman of the African People's Socialist Party
- Leader of the Uhuru Movement
- On U.S. tour, just returned from Africa

CALL TO THE WHITE COMMUNITY

Our future lies with African people and oppressed peoples of the world who stand for justice and peace:

- African liberation and self-determination
- End to imperialist wars, slavery and colonialism
- The right of peoples of the world to their own land, oil and government
- Economic self-sufficiency
- Sustainable resources
- Peace through social justice

Both Democrats and Republicans stand for the same things:

- War
- Economic crisis
- Police, prisons and war against African people here in the U.S.
- Attack on democratic rights
- White nationalist violence
- Environmental disaster
