All Out for Emergency Protest!

Mumia Abu-Jamal Is an Innocent Man! Free Mumia Now! Abolish the Racist Death Penalty!

COC Productions

On March 27, the Third Circuit Court of Appeals issued a decision upholding Mumia Abu-Jamal's frame-up conviction. In turning down Mumia's appeal for a new trial, the Court ordered a new sentencing hearing to decide whether he is again to be sentenced to die or condemned to the living death of life in prison.

The Court's decision is another slap in the face to all opponents of racist injustice. Recalling the infamous Dred Scott decision, the Court has again declared that a fighter for black freedom like Mumia has no rights that the courts are bound to respect. A former Black Panther Party spokesman, MOVE supporter and renowned journalist, Mumia is an innocent man, framed up for his political beliefs. He should never have spent a day in prison. There must be mass protests, centered on labor's power, to demand his freedom now.
