

FREE HOMES!

Cost of living got you down? Feel like the economy has you by the throat? Just lost your house - or need one? Don't worry, because there are thousands of free homes throughout the country that are just waiting to be squatted - *for free!* Just check out foreclosure.com for vacant home listings near you and move right in! Most foreclosed homes are owned by banks and will sit unused or unsold for years. Network and talk with neighbors in order to evade evictions and paying rent - *squat now!*

DON'T DELAY!
SQUAT TODAY!
