Re: Thursday October 16, 2008 – “Fair Share for Health Care Forum”

Dear Affiliates and Community Partners,

Attached, please see our flyer for our “What’s Your Fair Share for Health Care?” forum on Thursday October 16, 2008 held at the United Church of Christ, 1336 Arroyo Avenue, San Carlos CA. We’re writing to ask that your organization support this event through the participation of your members and helping to spread the word about this critical issue. Research shows that San Mateo County adult uninsured are mainly employed full time with many family obligations. Together we will explore ways in which our many adult uninsured can receive health care services in San Mateo County.

Should you have any questions or wish to RSVP you are welcome to contact myself at the San Mateo Labor Council (650) 572-8848 or Rayna B. Lehman, Director of AFL-CIO Community Services (650) 341-7711.

Look forward to seeing you there!

In Solidarity,

Michael.
