DAHR JAMAIL**

In late 2003, weary of the failure of the corporate media to report on the US War on Iraq, **Dahr Jamail** decided to go there himself. Dahr is one of only a few independent US journalists in the country and for over 5 years has reported from Iraq, Syria, Lebanon and Jordan.

Dahr Jamail is special correspondent for **Flashpoints**, reports for **Democracy Now!**, and has appeared on the BBC, NPR and many others. His reporting has earned him numerous awards such as the prestigious 2008 Martha Gellhorn Award for Journalism, and four Project Censored awards. For more information, visit his website, **DahrJamailIraq.com** and join his popular mailing list.

Dahr Jamail's indispensable reporting has made him this generation's chronicler of the on-going illegal US War on Iraq, from the US siege of Fallujah to the origins of the Iraqi resistance.
