John Malkin ***The Only Alternative: Christian Nonviolent Peacemakers in America***

Local journalist, author (*Sounds of Freedom*) and radio host John Malkin explores the spiritually active practice of compassionate nonviolence in his new book, *The Only Alternative*, written with co-author Alan Nelson. The book takes us on a journey through the lives of seven courageous American peacemakers who have embodied Christian nonviolence and dedicated their lives to addressing suffering.

This is a book that speaks to revolution in a way that starts from the inside out. Please join us for a reading, discussion, signing, and Q&A by John Malkin—it is sure to be an insightful evening.
