

# **Busting Up SEIU: United Health Care Workers and the Fight for Union Democracy**

**A FORUM SPONSORED BY  
THE SAN FRANCISCO PEACE AND FREEDOM PARTY**

**Thursday, February 19<sup>th</sup>  
CENTRO DEL PUEBLO  
474 Valencia Street, 7:00 PM  
(Two blocks west of the 16<sup>th</sup> ST. BART  
station in SF)**

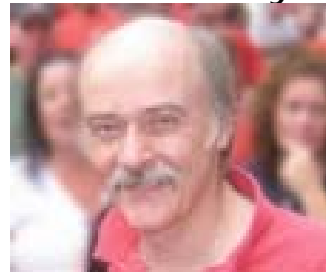

---

## *Speakers:*

**STERN'S HOTEL CALIFORNIA  
Check-Out Time**

*"The Service Employees International Union (SEIU) wants its members to believe that their union is just like the alluring but ultimately nightmarish hostelry immortalized by The Eagles. It's a place of permanent imprisonment only "programmed to receive" workers and their dues money, not let either go elsewhere when the rhetoric of 'progressive unionism' wears thin and the rank-and-file becomes restive. According to proprietor Andy Stern, once you've checked into SEIU, you can never leave." – Steve Early*
