

HMA Walk-a-Thon

April 26, 2009

The University of San Francisco's Hospitality Management Association Invites

YOU to participate in this exciting event and join our efforts in raising money for the UCSF Women's Cancer Research Program. The Walk-a-Thon provides an opportunity to unite our community while raising money to help fund women's cancer research. Your support will help us reach our goal this year of \$4,500. This walk is in tribute to all the women in our lives--mothers, sisters, aunts, grandmothers, cousins and friends--who are touched by this disease
