"The right to sleep—not anywhere and everywhere—but somewhere."

Pledge

to give special recognition to those downtown businesses that support restoring civil & human rights to the homeless community here.

We PLEDGE to give special attention and acknowledgment to those businesses that support a restoration of basic human rights for the homeless community. We will ask them to display in their store a brief statement to that effect. We further PLEDGE to ask those that don't support these rights, "why not?" and consider taking our business elsewhere if their response is not persuasive.

[Anyone can take this pledge: regardless of age, residency, citizenship, or other concerns]
