**Millions of people are losing their jobs, their homes and their health care. The need for an activist, community-based KPFA and Pacifica Foundation network is critical.**

The elimination of Youth Radio, the Poor radio segment, the threat against the Women's Magazine and the banning of programming from the KPFA Labor Collective are some of the issues that need to be addressed. The destruction of the Program Council at KPFA and lack of monthly KPFA Board meetings and the growing autocratic control within Pacifica is a great danger to the future of the network. The locks were changed at WBAI's transmitter. Which station transmitter will be next?
