This is both a fundraiser for United for Peace and Justice. AND a chance to get in early on our new campaign "The Half-baked Military Budget PIE". We are serious about educating people about the effect of out of control military spending on our economy. We are serious about raising funds to keep our national peace and justice coalition focused and functioning during this period of change and adjustment. We are also serious about having a very very good time:

PIE BAKING COMPETITION!

ENTER A PIE. EITHER YOUR BEST REAL OLD FASHIONED HOME-BAKED PIE OR YOUR BEST ILLUSTRATION OF WHAT OUR BUDGET PIE OUGHT TO LOOK LIKE.

We are also developing a budget trivia game for our campaign and invite you to submit trivia questions about this not in the least trivial issue.

Let's play a round on the 26th.

send your questions to sschwartz@afsc.org

WE ARE VERY PLEASED THAT *JUDITH LE BLANC* THE NATIONAL OUTREACH COORDINATOR OF UFPJ WILL BE PRESENT. REMEMBER **BEYOND WAR A NEW ECONOMY IS POSSIBLE!** YOU WILL BE ENTERTAINED TOUCHED AND DELIGHTED.
