

Enchanting Euphoric Mystical Dance

Kiyana - Vital & Perpetual Movements

A system of movements and internal work coming from ancient Persia; it relates to the education and the complete development, the unity and oneness of the body, mind and spirit, and subtlety of the soul.

The ability to observe and recognize the level of the self-being and beyond.

Concentration, symmetric and asymmetric movements by the method of divided attention & presence.

Signification and apprehension of mysterious symbolic aspects of the enneagram.
