A SANTA CRUZ RADICAL PHOTOGRAPHERS FREE SKOOL WORKSHOP

Radical art photographers unite!

This class is for radical photographers to come together to share, discuss, and critique our photographs. Together we'll make deeply insightful, meaningfully political, and disturbingly provocative images.

Group assignments, creative collaborations, photo shoots, sharing and critiquing.

Second Friday of the month

Dec 11th & Jan 8th – 6pm

SubRosa, 703 Pacific Ave

(Bring examples of your work to share.)
