*Not One More Black Life!!!*

On Thursday, December 3, 2009, Kenneth Ross, 18, became the latest victim at the hands of the killer OPD.

Kenneth's mother, Gloria Mulder, was totally ignored by media and the OPD. In fact, the new police chief, Anthony Batts was on the scene and never went to her to tell her about her son.

The International People's Democratic Uhuru Movement demands justice and reparations for Kenneth Ross and all of the families who have been victims of police terror, brutality and murder. We further demand genuine economic development for the Black community. The African community holds Ronald Dellums, Anthony Batts and the City of Oakland directly responsible for a public policy of police containment of the African community, fueled by a the City of Oakland's war budget that funds hundreds of millions of dollars for more police.

The African community needs economic solutions to the problems we face, not police bullets and beatdowns! We demand justice for the deaths of Kenneth Ross, Oscar Grant, Jody "Mack" Woodfox, Lovelle Mixon, Casper Banjo, Gary King Jr. "Brownie" Polk, Anita Gaye and countless other African men and women who have lost their lives or have been brutalized by the police!
