

EARTH FIRST!

Film & Discussion, featuring

Judi Bari • Tree Sitting

Blockading Logging Roads • Locking Down

Various other direct actions & protests

"Starting from the very reasonable but unfortunately revolutionary concept that social practices which threaten the continuation of life on Earth must be changed, we need a theory of revolutionary ecology that will encompass social and biological issues, class struggle, and a recognition of the role of global corporate capitalism in the oppression of peoples and the destruction of nature."

—Judi Bari
