

# **Earth Day Protest for Environmental Justice, Public Power and Clean, Renewable Energy!**

**Join Together to Present PG&E with the  
Earth Day Polluter Hall of Shame Award!**

**Thursday, April 22, 2010 at 12 noon  
in front of PG&E Headquarters  
Beale & Market Streets, San Francisco  
near Montgomery BART/MUNI**

**In honor of Earth Day, we demand that PG&E:**

- Clean up toxic contamination at the former PG&E Hunters Point Power Plant site and the Potrero power plant safely and promptly
- Stop dumping PG&E's toxic waste in Kettleman City
- Don't buy power from proposed Avenal Power plant near Kettleman City
- Stop Prop 16 and other PG&E attacks on community choice & public power
- Relocate and compensate residents of the Midway Village public housing project in Daly City who live on top of PG&E's toxic waste, and clean the site to protect the environment
- Stop the fossil fuel power plants proposed in Eastern Contra Costa County
- Stop proposed liquefied natural gas terminal in Oregon and pipeline
- Support Renewable Energy & Green Jobs, not fossil fuel and nuclear power

**Sponsored by Greenaction for Health and Environmental Justice, Huntersview Mothers Committee for Health and Environmental Justice, Bayview Hunters Point Youth In Action, Our City, San Francisco Green Party, New Midway Village Relocation Group, Healthy San Leandro, Pacific Environment, Environmental Justice Air Quality Coalition**
