## **DECLARATION OF NICOLE MILLER**

I, Detective Nicole Miller, declare:

- 1. That I am a Detective with the University of California Berkeley Police Department.
- 2. Except as qualified, I have personal and firsthand knowledge of the facts set forth in this declaration, and if called as a witness, could and would competently testify thereto under oath.
- 3. Other officers and I at approximately 0400 on December 12, 2009 determined that we needed a search warrant to view the contents of the digital camera and discs seized from David Morse.
- 4. Judge Morris, the weekend on call judge, reviewed and signed the search warrant at approximately 1840 hours on December 12, 2009.
- 5. The photographs on the camera depicted people with their faces covered marching down Euclid Avenue and Hearst Avenue as well as garbage cans and newspaper stands blocking sidewalks and Hearst Avenue. There are also photographs of people marching with torches and the vandalism that occurred at University House.
- 6. The photographs have helped us identify individuals responsible for the vandalism and depict people that we continue to try to identify.
- 7. On December 22, 2009 I met with Professor Daniel Perlstein in his office at Tolman Hall. He showed me the east facing window in his office. From the window I could see the western portion of the University House service road, the ground floor of the west side of the University House and the pathway leading from Tolman Hall to the University House service road with clarity. Perlstein stated that on December 11, 2009 he heard someone on a bullhorn say
