

LaborFest 2010 –

A Green Future for Building Trades ~ Embracing Alternate Energy and Design

When: 7 July 2010 6PM – 9:30 PM
Social Hour and Refreshments – 6-7:30
Program –7:30 – 9PM (Q/A following)

Where: Ironworkers 377 Union Hall
570 Barneveld Street, San Francisco

Ironworkers 377

invites the Bay Area Labor Community to an evening outlining the exciting future that can become possible:

- ***hear about geothermal, solar, wind, and water power projects***
- ***learn about sustainable design in steel construction and architecture***
- ***get updates on current projects and plans for future work in California utilizing Green Construction***

Ironworkers 377 is a proud supporter of Laborfest 2010
