

An evening with  
Best-selling author, provocative journalist, master storyteller,  
and excoriating critic of those in power,

## **Robert Fisk**

British Press Awards' International Journalist of the year seven times,  
And author of five books on the Middle East including  
*The Great War for Civilisation.*

Comments on the book:

“Passionate in his concerns about the region and relentless in his pursuit of the truth, Fisk has been able to enter the world of the Middle East and the lives of its people as few other journalists have.”

“Fisk interweaves this history with his own vividly rendered experiences in Iraq, Iran, Afghanistan, Algeria, Israel, Palestine and Lebanon—on the front lines; behind the scenes; in the streets of cities and villages; and inside military headquarters, the hideouts of guerrillas, the homes of ordinary citizens.”
