

Sick of the limits of your life being dictated by doctor's degrees, 501(c)3s, and 5150s?  
Society is suffering from a serious "disorder." GAY SHAME invites you to relocate the diagnoses off our bodies and  
minds and onto the structure of the system:

# EMERGENCY QUARANTINE!

## STOP THE OUTBREAK OF SYSTEMIC INFECTION

Do you recognize these symptoms?

- CLOSURE OF NEW LEAF LGBTQ COUNSELING CENTER**
- Medicalization of life; criminalization of illness; alienation, trauma, despair
- Growth of the prison-military-medical-non-profit-industrial complex

YES?!?! Your health is in imminent danger,  
TAKE ACTION IMMEDIATELY!

**Report to your appointment on  
FRIDAY OCT 15 AT 1130 AM  
Market @ 9th St**

(Near New Leaf and Dep. Public Health)

For a decidedly un-psychiatric (yet quite expert) evaluation  
(i.e. radical mental health theatrical action)!  
Come dressed in your queerest queer or finest medical attire.

Action will be followed by emotional decompression the following day at the GAY SHAME meeting:  
530 pm Modern Times Bookstore @ 888 Valencia btw 19th & 20th. All are welcome.
