On New Year's Day 2009, young Oscar Grant was killed in cold blood as his friends were being terrorized by BART police.

Police brutality occurs with chilling regularity in black and brown communities, especially against immigrant workers.

In the 1934 Maritime Strike two workers were killed by police, provoking the San Francisco General Strike. Organized labor in unity with the community must mobilize to stop police violence against the oppressed.

Justicia para **OSCAR GRANT** Mitin

Levántese y haga que se escuche su voz!

Johannes Mehserle, el policía que mató al joven Oscar Grant, solo fue arrestado porque el pueblo tomó las calles para expresar su coraje.

Sin la acción continua de los sindicatos y la comunidad, Meshlerle podía haber sido exonerado.

Juntos podemos hacer seguro que este policía asesino obtenga la sentencia máxima para que otros policías no piensen que pueden absolverse de un asesinato.

Sábado, Oct. 23 12 del mediodía

Plaza Frank Ogawa

(Alcaldía de Oakland cerca de la Calle 14 y Broadway)

Únase con familiares y amigos de Oscar Grant, sindicatos, y la comunidad para demandar:

- **Sentencia máxima para Johannes Mehserle**
- **Alto a la brutalidad policial! Encarcelen policías asesinos y racistas!**
- **Expanden trabajos y educación, no guerras y represión**
