

BROKEN RAINBOW

Broken Rainbow is an Academy Award winning documentary on the forced removal of 14,000 Diné (Navajo) people from their ancestral homeland in Arizona. For over 30 years since US Congress passed the Relocation Act, traditional Dine at Black Mesa have resisted relocation and the expansion of devastating coal strip mining operations by Peabody Coal.

There is no Word for Relocation
in the Navajo Language.
To Relocate is to Disappear
and Never be Seen Again.
