We are praying... we are singing...we are walking...  
to bring attention to the plight of prisoner's  
in California and across our cruel nation.

- We ask Governor Jerry Brown to put an end to the Death Penalty in California and to close down the Death Chamber at the San Quentin Prison here in Marin County.
- We honor the courageous Georgia Prisoner's who risked everything in the Largest Prison Strike in U.S. history this past Dec. 2010.
- We ask the United States of America's Attorney General to look into the rampant pattern of abuses that are taking place in the American Industrial Prison Complex. From the brutal murder of Oscar Grant to the senseless shooting of Guy Jarreau, Jr. and all the nameless prisoner's throughout the U.S. who are being tortured and neglected  
We also ask Attorney General Holder to look into the death of Victor Valdez in the Maine Prison who was hastily cremated before the legally required autopsy could be made.
