How to Protest Intelligently

Important information and tactics

Please distribute through email printing, and photocopies ONLY!

Twitter and facebook are being monitored. Be careful not to let this fall into the hands of the police or state security.
1. The downfall of the regime of Hosni Mubarak and his ministers.
2. The cessation of the Emergency Law
3. Freedom
4. Justice
5. The formation of a new, non-military government with the interests of the Egyptian people at heart.
6. The constructive administration of all of Egypt's resources.
The Strategic Goals of Civil Disobedience

1. To take over important government buildings.
2. To attempt to win over members of the policy and army to the side of the people.
3. To protect our brothers and sisters in revolution.
خطوات التنفيذ

1. التجمه مع الأصدقاء والجيران في الشوارع السكنية البعيدة عن تواجد قوات الأمن.

2. الهتاف باسم مصر وحرية الشعب (هتافات إيجابية).

3. تشجيع سكان البناءات للإنضمام (بشكل إيجابي).

4. الخروج في مجموعات ضخمة إلى الشوارع الرئيسية لجمع أكبر حشد ممكن.

5. السير نحو المباني الحكومية الهامة (مع الهتاف الإيجابي) للإس театр عليها.

Steps for Carrying Out the Plan

1. Assemble with your friends and neighbors in residential streets far away from where the security forces are.

2. Shout slogans in the name of Egypt and the people’s freedom (positive slogans).

3. Encourage other residents to join in (again with positive language).

4. Go out into the major streets in very large groups in order to form the biggest possible assembly.

5. Head toward important government buildings while shouting positive slogans— in order to take them over.

How to Use the Accessories

Shield and Spray

HOLD YOUR GROUND, EGYPTIAN!
Block the truncheon with your shield as you’re spraying them in the face.
2. Other uses for Spray paint:
on the windshields of armored trucks and
on mounted surveillance cameras

3. You can also stick a wet towel
in the vehicle's exhaust to stop it

4. You can also throw plastic bags filled with
liquid soap under the wheels of the armored trucks
to disrupt their balance as they're moving.
