2011 V-Day Spotlight Campaign: The Women and Girls of Haiti

In 2011, V-Day's Spotlight Campaign will be on the Women and Girls of Haiti. The Spotlight will highlight the high levels of violence against women and girls in Haiti, and will focus on the increased rates of sexual violence since the devastating earthquake that took place in January 2010. All funds raised through the Spotlight Campaign will be used to support a revolutionary national campaign in Haiti led by a coalition of women activists - including longtime V-Day activist Elvire Eugene - that will address sexual violence through art, advocacy, safe shelter and legal services. 10% of the proceeds from the V-Day SJSU 2011 production of the Vagina Monologues will go to Haiti.

About V-Day

V-Day is a global movement to end violence against women and girls that raises funds and awareness through benefit productions of Playwright/Founder Eve Ensler's award winning play *The Vagina Monologues*. V-Day strives to empower women to find their collective voices and demand an end to the violence that affects one in three women in the U.S. and around the world. The 'V' in V-Day stands for Victory, Valentine and Vagina. <http://www.vday.org>
Beneficiaries are local non-profit organizations whose programming supports survivors of violence and/or who work to end violence against women and girls.
